/// SECONDARY LOGO

Social media/
small display presence

The "UP" logo is more than just an abbreviation of **UPrime**—it's a bold statement of elevation, ambition, and transformation. In English, the word "up" symbolizes movement, growth, and progress, reflecting UPrime's core purpose: empowering users to level up their experience and lifestyle.

Designed specifically for small-scale usage—such as social media icons, watermarks, or exclusive badges—this secondary mark ensures strong brand recognition even in compact formats. While minimal, the "UP" logo encapsulates the futuristic and premium essence of the main brand.

Level Up

"UP" reflects UPrime's mission to elevate its users—whether in terms of vaping experience, self-expression, or lifestyle. It's not just about smoking better, it's about living better.

Simplicity with Identity

Though visually simple, "UP" remains distinct and impactful. It demonstrates that strong branding doesn't rely on complexity, but on clarity and emotional resonance.

Visual Continuity

The design of "UP" aligns with UPrime's main logo—clean, bold, and modern. This ensures consistent visual storytelling across various platforms and sizes.

Motion & Ambition

The word "UP" represents motion—always moving forward, aiming higher. It embodies freedom, boldness, and the pursuit of the prime version of oneself, values that lie at the heart of UPrime.

/// COLORS

The UPrime color palette presents a sleek, modern symphony of futuristic tones and subtle elegance—crafted to express both power and personality. Each hue is carefully selected to embody UPrime’s identity as a premium brand for the bold, the expressive, and the forward-looking.

Midnight Drive Blue
HEX (#0C1C6E)

A deep, electric navy that evokes mystery, innovation, and unstoppable energy. This color anchors the brand with a futuristic sophistication, symbolizing intelligence, technology, and depth—perfectly capturing the UPrime spirit.

→ ***Primarily representing UPrime’s male audience**, it reflects confidence, ambition, and a sleek masculine appeal.*

Luxe Pearl White
HEX (#F7F4EF)

A soft ivory tone that brings a touch of minimalism and refined luxury. Representing purity, clarity, and understated elegance, it creates space within the visual identity for breathing, balance, and a premium feel.

→ ***Also aligned with male users**, this tone complements the Midnight Drive for a clean and polished look, enhancing the sense of class and sophistication.*

Neon Pulse Pink
HEX (#DE0081)

A vibrant fuchsia that pulses with creativity, freedom of expression, and individuality. It’s bold, unapologetic, and expressive—channeling UPrime’s role as a lifestyle choice for those who stand out and stand up for who they are.

→ ***Strategically chosen to represent UPrime’s female audience**, this tone radiates confidence, bold femininity, and modern charisma.*

Solar Mist Cream
HEX (#FFECDD)

A gentle peachy-cream that softens the palette with warmth and human connection. It adds contrast to the bold tones while preserving a sense of modernity, comfort, and emotional resonance.

→ ***Complements the female market segment**, offering a subtle, approachable elegance and emphasizing warmth, care, and creative energy.*
